IN RE: Application of Gentlemen Movers, Incorporated for a Rate Increase  
**Docket No. 2007-265-T**

Dear Mr. Terreni:

On July 11, 2007, Gentlemen Movers applied for a rate increase with the Public Service Commission (Commission). In Order 2007-519, dated August 2, 2007, the Commission granted the Office of Regulatory Staff's (ORS) request to hold the application until an audit and impact study could be conducted. The Commission ordered the study be conducted and ORS make its recommendation by September 4, 2007.

Since the Commission's order, ORS has attempted to retrieve documentation, such as bills of lading, a check register, a general ledger, and other financial information, from the applicant in order to conduct the study. The applicant failed to produce or produced incomplete documents in response to ORS' requests, rendering ORS unable to conduct the study. Therefore, ORS objects to the application for a rate increase at this time but requests the applicant be allowed to reapply in the future once it can produce sufficient records on which an audit and impact study may be conducted.

Please accept the original of this letter for filing and return the copy enclosed to me in the envelope provided. Thank you for your assistance in this matter. If further information is needed, please do not hesitate to let me know.

Sincerely,
